Iron Age: sheet 1

Instructions for making your Iron Age roundhouse

Colour the pictures of the parts of the roundhouse.

Cut out the roof, the floor and the wall.

Fold up the flaps on the wall.

Make a circle with the wall by sticking the tabmarked S to the inside of the other end of the paper.

Put some glue on the four tabs.

Stick the wall onto the floor.

Cut along the thick black line on the roof.

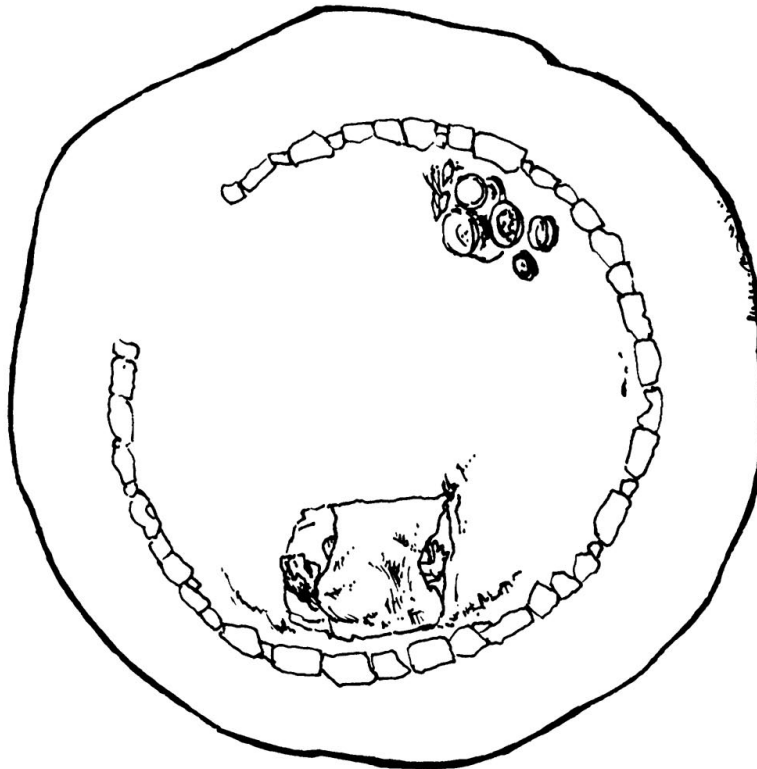

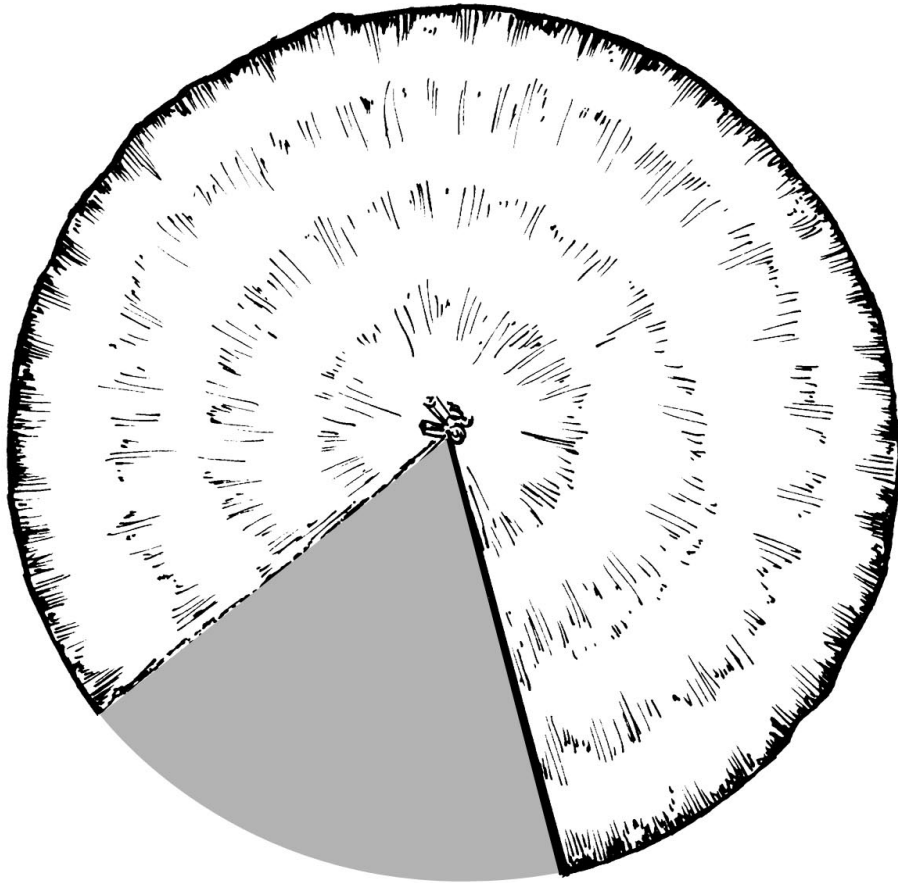

Tuck the shaded area underneath and stick with glue.

Place the roof on top of the wall.
