

# Capture the castle

How many different castle defences can you see? Label the picture.

Here are some ideas for attacking the castle. What are the good and bad points about each one? Fill in the chart.

Idea	Advantages	Disadvantages
Dig a passage under the castle.		
Poison the water supplies.		
Bribe a traitor to open the gates.		
Use scaling ladders to get over the walls.		
Use battering rams.		
Starve the defenders out.		

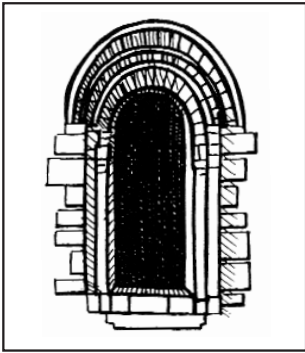

# Norman Churches

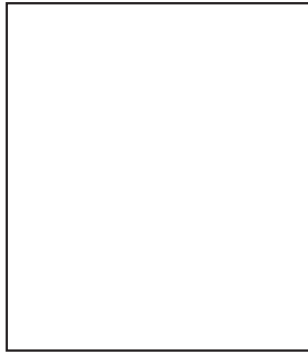

Visit an old church to look for signs of the Normans. Draw some of the features you see.

## Outside

Look for: yew tree, gargoyle, arched window, square tower, lych gate

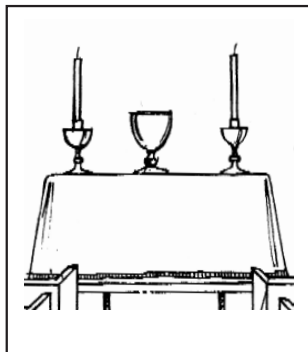

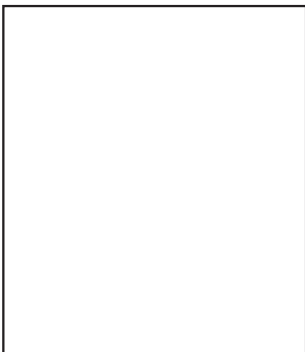

arched window

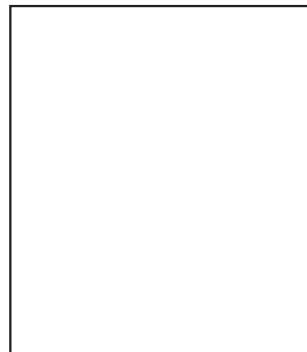

## Inside

Look for: font, nave, altar, transept, tombs

altar

## Later features

These things appeared in churches after the time of the Normans: spire, bells, pews, pulpit, lectern, clock

pulpit
