

## Worksheet 1.5

### Applying news values

Spend a minute or two identifying which of the 12 news values you have defined apply to the Waveland story. There's certainly plenty of human interest.

Use the following table to analyse the stories that were included in a Channel 4 News broadcast you have watched for homework.

| <b>Story</b><br>Include the main stories and also those contained in any sports roundup or the newsbelt | <b>News value</b><br>Include the values tabled in Worksheet 1.4. | <b>Elements</b><br>Write out the precise elements that make the story newsworthy. |
