don't take it lying down

Alliance for Green Socialism

Website: www.greensocialist.org.uk

E-mail: enquiries@greensocialist.org.uk

The health service

Reject private health care and back free prescriptions, dentistry and eye tests

Tuition fees

Policy not available

Street crime

Design clean, open, well-lit streets with neighbourhood watch schemes

International aid

Increase aid, support fair trade and cancel debt owed by the poorest countries

Global warming

Cut greenhouse gases, save energy and research renewable energy sources

Terrorism

Stop exaggerating the terrorist threat as an excuse to remove our civil liberties

Immigration and racism

Celebrate diversity, welcome refugees and asylum seekers and defend their rights

Transport

Bring in affordable public transport and prioritise pedestrians and cyclists

Elexion 05

don't take it lying down

Europe

Reject the single currency as it is based on an undemocratic financial system

Iraq

Withdraw troops and hold a full judicial inquiry into the 'lies' that took us to war
