## **The health service**

Re-nationalise private health facilities and tax the rich to fund an expanded NHS

## **Tuition fees**

Scrap top-up and tuition fees and introduce a non means-tested maintenance grant

## **Street crime**

Fund youth clubs, decent lighting, drugs outreach and renovated housing estates

## **International aid**

Tax businesses and the rich to give more aid but don't use it to prop up corrupt elites

## **Global warming**

Cut greenhouse gases and invest in research and use of renewable energy sources

## **Terrorism**

Stop trashing our civil liberties in the name of the war on terror

## **Immigration and racism**

Back open borders and automatic citizenship wherever you happen to be living
