The health service

Make the NHS free to all and put a stop to politicians tampering with it

Tuition fees

Abolish all fees – our professionals shouldn't have debts hanging over them

Street crime

Give people something important to live for rather than police the drugs scene

International aid

Donate 0.7% of national income as aid, drop Third World debt and back free trade

Global warming

Use taxation to reduce our use of fossil fuels and invest in alternatives

Terrorism

Attack the forces of injustice as the best defence against terrorism

Immigration and racism

Do our bit to shelter those in real fear, deciding each case promptly and fairly

Transport

Promote rail freight, rail routes bypassing London, urban rapid transit systems

Elexion 05

don't take it lying down

Europe

Back the EU to provide its citizens with freedom, democracy and prosperity

Iraq

Stand firm and allow freedom and democracy to roll out across Iraq
