## **The health service**

Privatise the NHS so it's owned by those who work for it but can deliver free care

## **Tuition fees**

End tuition and top-up fees, and give grants for science, medicine and engineering

## **Street crime**

Send non-violent offenders to isolated communities to serve out their sentence

## **International aid**

Abolish interest on debt and let agencies like Oxfam deliver aid direct to the needy

## **Global warming**

Invest massively in renewable energy sources

## **Immigration and racism**

Halt immigration and pay safe nations to accept resettled asylum-seekers

## **Transport**

Prioritise public transport rather than cars, especially in cities
