The health service

Increase funding, recruit more specialist staff and save money by cutting red tape

Tuition fees

Scrap top-up and tuition fees and bring in a university tax credit for families

Street crime

Use anti-social behaviour orders and tougher sentencing to reduce violent crime

International aid

Give aid after a disaster but also help countries develop their economies and trade

Global warming

Invest in developing renewable energy sources rather than fossil fuels

Terrorism

Take action against terrorist groups, whether the threat is here or international

Immigration and racism

Support essential migrant workers but crack down on bogus asylum seekers

don't take it lying down

Transport

Maintain roads and improve public transport – it will boost our economy

Europe

Oppose the European constitution – it hands over the UK's powers to Brussels

Iraq

Keep the troops in Iraq to make sure that a stable democracy emerges
