The health service

Simplify the NHS and make local politicians accountable for health performance

Tuition fees

Give extra funding to higher education so tuition and top-up fees can be abolished

Street crime

Respect the right of victims to defend themselves and their property against criminals

Global warming

Back the Kyoto Treaty and focus on climate change now not when it's too late

International aid

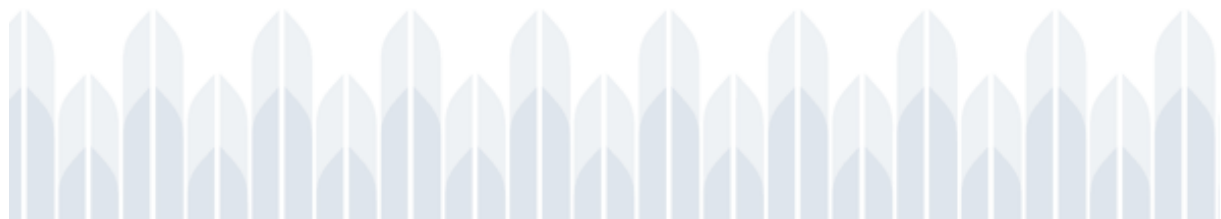

Back a global system of free and fair trade

Terrorism

Re-establish border controls to make sure that terrorists can't get into Britain

Immigration and racism

Introduce a points system for UK entry, and strengthen immigration services

Elexion 05

don't take it lying down

Transport

Back light railways, trams, cycle-ways and pedestrian-friendly areas

Europe

Push for a referendum on ending membership of the EU as it undermines our democracy

Iraq

Withdraw our troops because they're serving as mercenaries of a foreign state
