The health service

Find cash to end the waiting list scandal or face the cost in terms of people's health

Tuition fees

Scrap the tuition fees that are creating a generation living with massive debt

Street crime

Prescribe heroin and legalise cannabis to control drug-related crimes like theft

International aid

Bring in international trade rules that prioritise the poor and the environment

Global warming

Build an energy policy on renewables rather than opencast mining and nuclear power

Terrorism

Stop all terrorism, from 9/11 through to the bombing of Iraqi and Afghan civilians

Immigration and racism

Protect migrant workers from sweatshops and give asylum to those fleeing torture
