The health service

Explore alternatives to the monolithic NHS that can't even keep wards clean

Tuition fees

Scrap tuition and top-up fees but allow fewer students to enter higher education

Street crime

Return to old-style police patrols to confront, stop and punish crime

International aid

Give aid to countries who accept back their own people living illegally in Britain

Global warming

Reduce energy use and population size so we're not all crammed in like rats in a trap

Terrorism

Set up proper border controls, because right now anyone can walk into Britain

Immigration and racism

End it – we don't need more people when we've millions of unemployed who can work

Elexion 05

don't take it lying down

Transport

Reduce city congestion by spreading our population more evenly around the country

Europe

Restrict the role of the EU to the trading arrangement they told us we were joining

Iraq

Get out of Iraq and stop foreign adventures that make us targets of terrorism
