## **The health service**

Promote hands-on training for nurses rather than college-based training

## **Tuition fees**

Provide full student grants and pay tuition fees for all first-time students

## **Street crime**

Introduce a minimum sentence of five years for muggings

## **International aid**

Increase aid donations that encourage countries to build self-reliance

## **Global warming**

Use renewable energy sources on the ecological principle that small is beautiful

## **Terrorism**

Refuse to get involved in wars and this will decrease the risk of terrorism in the UK

## **Immigration and racism**

End immigration and let in only 5,000 asylum-seekers a year to reduce energy needs

## **Transport**

Invest in cheap public transport – especially trains and buses – and cleaner fuel

## **Europe**

Set a good example to other nations by leaving the EU, which is against our interests

## **Iraq**

Bring our troops home
