The health service

Cut waiting lists using targeted funding and make all NHS services free

Tuition fees

Scrap tuition fees, and reinstate grants and national service for young people

Street crime

Bring in vigorous sentencing, a visible police presence and corporal punishment

International aid

Prioritise investment at home over aid, which is better left to individuals

Global warming

Research efficient, alternative domestic and industrial energy sources

Terrorism

Stop immigration from the Islamic world and deport known dangerous elements

Immigration and racism

Stop immigration and repatriate 'non-whites' if Britain is to survive intact

Elexion 05

don't take it lying down

Transport

Back public transport on grounds of cost, coverage and convenience

Europe

Leave the malevolent EU and never look back

Iraq

Stop playing world policeman as it brings the British people no obvious benefit
