## **The health service**

Let private hospitals provide services for NHS patients on an equal footing

## **Tuition fees**

Replace top-up fees with subject-based scholarships

## **Street crime**

Create an enforcement agency with asset-seizing powers to target drug dealers

## **International aid**

Focus on direct aid, prioritising HIV/AIDS, hunger, free trade and malaria

## **Global warming**

Back practical measures like making everyone aware of their own CO<sub>2</sub> emissions

## **Terrorism**

Share intelligence, disrupt terrorist networks and detain suspects early on

## **Immigration and racism**

Integrate new arrivals properly but also set controls on immigration and asylum

## **Transport**

Provide tax-free allowances for public transport and reduce peak-time traffic

## Europe

Withdraw from the EU's failed institutions but back free trade in Europe and beyond

## Iraq

Commit to building a new Iraq despite the mistakes made before and since the war
