The health service

Clean hospitals properly and revert to single sex wards to give us back our dignity

Tuition fees

Scrap the posterous tuition fees that saddle students with massive debts

Street crime

Set up Cool Clubs for teens who've 'bugger all to do' but hang around 'smoking skunk'

International aid

Tackle the poverty on our doorsteps first – charity begins at home

Global warming

Push gas-guzzling Americans to sign the Kyoto Treaty to limit CO₂ emissions

Terrorism

Clean up our own act and stop invading countries before we criticise other states

Immigration/racism

Tackle immigration urgently because we can't afford to support everybody here

Elexion 05

don't take it lying down

Transport

Work towards a fully integrated and efficiently run public transport system

Europe

Oppose the inflationary euro promoted by faceless European fat-cat federalists

Iraq

Learn the lessons from Iraq so we don't get caught up in bombing Iran next
