### **The health service**

Carry out more treatments in GP surgeries and make hospitals cleaner to combat MRSA

### **Tuition fees**

Scrap tuition and top-up fees, and fund higher education through general taxation

### **Street crime**

Put more police on the streets and take tougher action on alcohol and drug abuse

### **International aid**

Donate 0.7% of the UK's annual income in aid, and support fair trade

### **Global warming**

Give council tax rebates to people who use renewable energy systems in their homes

### **Terrorism**

Protect our values of fair trial, free speech and liberty when tackling terrorism

### **Immigration and racism**

Value the contribution of immigrants and asylum seekers and stop imprisoning them
