Tel: 020 89803507

E-mail: office@respectcoalition.org

The health service

Abolish charges for prescriptions, dentistry and eye, feet and hearing services

Tuition fees

Abolish tuition fees and student loans, and create an education free at point of use

International aid

Increase aid spending, cancel debt unconditionally and curb the multinationals

Global warming

Take emergency steps to reduce fossil fuels

Terrorism

End detention without trial and oppose the demonisation of Muslim communities

Immigration and racism

Defend the right to asylum and give refugees access to proper services

Transport

Invest in a cheap, nationalised public transport system to reduce the need for cars

Elexion 05

don't take it lying down

Europe

Vote no on the Constitution because it lets big business carry on dominating the EU

Iraq

Call for an immediate withdrawal of all foreign troops
