### **The health service**

Emphasise preventative and complementary health to reduce our spending on drugs

### **Tuition fees**

Scrap tuition fees and provide a non-means tested citizen's income for basic needs

### **Street crime**

Design our cities with safer streets and more top-quality youth facilities

### **International aid**

Commit 0.7% of the UK's annual income to aid and lead greater efforts to combat AIDS

### **Global warming**

Set a national target for improving energy efficiency and reducing CO<sub>2</sub> emissions

### **Terrorism**

Reform the UN so it can deliver peaceful, democratic solutions to conflict

### **Immigration and racism**

Give asylum to those fleeing persecution and tackle why they leave their homelands

### **Transport**

Stop building new roads and invest in trams and buses, walking and cycling
