The health service

Finance free health care through taxes until on a level with the European average

Tuition fees

Abolish top-up and tuition fees and bring in maintenance grants funded out of taxes

Street crime

Resource our communities to stand up to anti-social criminals and drug dealers

International aid

Give 0.7% of the UK's annual income as aid but don't link it to opposing terrorism

Global warming

Set firm targets to cap greenhouse gases and pressure the US to reduce CO₂ emissions

Terrorism

Use the UN for conflict resolution and to steer us away from military interventions

Immigration and racism

Reduce conflict and poverty globally – it's the best solution to asylum seeking

Elexion 05

don't take it lying down

Transport

Invest more in public transport to get people out of cars and into trains

Europe

Support the EU when it's working in the UK's interests and stand up to it when it isn't

Iraq

Stop this illegal war, withdraw our troops and return sovereignty to the Iraqis.
