## **The health service**

Back the NHS and free health care, rather than running hospitals for profit

## **Tuition fees**

End tuition fees, bring back grants and invest in free and accessible education

## **Street crime**

Put drug barons behind bars to stop the dealers on our streets and end this vile trade

## **International aid**

Give aid free of any ties, end all debt and encourage open trade

## **Global warming**

Invest sufficiently in sustainable alternative energy/clean coal technologies

## **Terrorism**

Repeal the anti-terrorist laws that encourage fear and suspicion to rule our lives

## **Immigration/racism**

Scrap the racist immigration laws that create rather than solve social problems

don't take it lying down

## **Transport**

Invest massively in transport systems, publicly owned and funded by government

## **Europe**

Withdraw from the EU – a capitalist club for multinationals to exploit workers

## **Iraq**

Bring the troops home – human rights abuses are still being committed by Britain
