The health service

Offer hospital treatment wherever you choose it and with less than an 18-week wait

Tuition fees

Abolish upfront tuition fees and introduce a fairer system of funding for students

Street crime

Put the equivalent of 12,000 more police on to the street and expand CCTV operations

International aid

Use our presidencies of the G8/EU to push world poverty up the international agenda

Global warming

Continue cutting emissions of greenhouse gases and increasing recycling schemes

Terrorism

Bring together crime and immigration experts to protect us against terrorists

Immigration and racism

Introduce identity cards to combat asylum abuse and illegal immigration

Elexion 05

don't take it lying down

Transport

Improve public transport by modernising buses and replacing half of all trains

Europe

Support a yes vote in the EU constitution referendum because it's good for Britain

Iraq

Carry on supporting those who defied the terrorist threats to vote in the elections
