

Elexion 05

don't take it lying down

Third Way

Website: www.thirdway.org

E-mail: thirdwaycentre@aol.com

Tel: N/A

Health service

Back preventative medicine and legislate against sugar, fat and additives in food

Tuition fees

Scrap tuition fees and redirect money from secondary into higher education

Street crime

Value people and communities and we will be less likely to attack our neighbours

International aid

Create sustainable economies by ending debt and backing fair trade

Global warming

Back measures to move away from our current unsustainable consumerist lifestyles

Terrorism

Support the Palestinians and start a fresh relationship with the Arab world

Immigration and racism

Back selective, non-racist immigration and genuine political asylum-seekers

Elexion 05

don't take it lying down

Transport

Re-nationalise and invest in trains, making train and bus travel cheaper

Europe

Put EU membership to a referendum

Iraq

End all foreign occupation of Iraq and forge new relationships in the Arab world
