## **The health service**

Return local health services to local control and get rid of EU interference

## **Tuition fees**

Scrap tuition fees and reintroduce maintenance grants, financed by leaving the EU

## **Street crime**

Let local people decide local policing priorities, like more visible foot patrols

## **International aid**

Promote trade not aid, allowing developing nations access to British markets

## **Global warming**

Halt measures to prevent global warming until there's real evidence that it exists

## **Terrorism**

Stop using the current terrorism crisis as an excuse to curtail civil liberties

## **Immigration and racism**

Start a quota system for immigration and accept those fleeing persecution

don't take it lying down

## **Transport**

Get people out of their cars with a properly integrated public transport system

## **Europe**

Get out of the EU and spend our £30 million daily membership bill on British needs

## **Iraq**

Push for the UN to help reach a democratic solution acceptable to the Iraqis
