The health service

End all privatisation and fund health by nationalising banks and monopolies

Tuition fees

Abolish tuition fees and restore maintenance grants for all students

Street crime

Stop making cheap political points by targeting young people as the cause of crime

International aid

Get rid of imperialism and develop a world socialist economy to create justice

Global warming

End private ownership of the big businesses that cause pollution

Terrorism

Tackle the imperialism that's to blame for terrorism

Immigration/racism

End immigration controls and border restrictions of any description

Elexion 05

don't take it lying down

Transport

Re-nationalise all public transport for an integrated, cheap and planned system

Europe

Back the EU so long as the union is a socialist one

Iraq

Withdraw all British troops now and give Iraq back to the Iraqi people
